CEDAR COMMUNITY DAY
Synthetic acceptance fixture. These people, plans, and figures are fictional.

The event takes place on 14 June 2030 at Lantern Hall.
Noor Patel coordinates the event. Jun Park handles supplies.
There are 48 reserved seats and 12 open seats, for a total capacity of 60.
The planning budget is 2500 units: venue 1200, transport 350, materials 950.
The first session begins at 09:30. The venue closes at 17:00.
Do not describe the 2500-unit planning budget as confirmed spending.

DECISIONS
Use reusable cups. Keep the north entrance clear.
The quiet room is upstairs. Step-free access uses the west entrance.
The rain plan moves outdoor activities into the west hall.

OPERATIONS

The volunteer briefing begins at 08:45.
Noor opens the venue. Jun checks the materials inventory.
The lunch break runs from 12:15 to 13:00.
The public welcome is at 09:30, not at the volunteer briefing time.
